

THE MIT FOUNDER

Questions & Answers

1. What is the MIT program?

The MIT program is a million dollar + funded program to guarantee immediate income success for qualified participants. The MIT program is loaded with benefits all focused on creating immediate income for MIT members.

2. Who can become an MIT?

Every new person enrolling as a Zija International Distributor is eligible to participate. Simply complete the MIT application enrolling with a Z5 or Z10 and a 2 case autoShip and fax it to Zija International at the fax number on the application to be activated as an MIT.

3. Can I upgrade to an MIT?

Absolutely. If you are already an existing Distributor, you can join the program by purchasing another Z5 (without enrollment) and filling out an MIT application. After you have purchased your Z5 and are on a 2 case AutoShip, fax the MIT application with your ID number and a note that you are an existing Distributor who placed a Z5 upgrade to become an MIT, to the fax number on the MIT application. The time limit for upgrades is Friday July 3, the last day of Period 11.

4. Does the MIT application require an order?

Yes. The MIT applicant must fill out the MIT Application and fax both pages of the signed and completed form to Zija at **801-494-2323**. You will not receive any benefits until the Z5 order and 2 case AutoShip have been processed.

5. How much is the MIT Founders bonus?

As an MIT, when you enroll 2 new Distributors with a Smart Kit or greater (with a 2 case AutoShip) and help them enroll their 2 new Distributors with a Smart Kit or greater (with a 2 case AutoShip) you become an MIT Founder and are eligible for the program bonuses.

When you enroll 2 new Distributors as MITs (Z5 or Z10 and 2 case AutoShip) and they enroll their two as MITs (Z5 or Z10 and a 2 case AutoShip) then you will be qualified to earn a \$500 bonus (*See Number 8*).

If any one of the 3 new Distributors on one side enrolls with a Smart Kit (with a 2 case AutoShip) you will receive a \$100 bonus for that side and a \$250 bonus for the other side. If any one of the 3 new Distributors on each side enrolls with a Smart Kit (with a 2 case AutoShip) your bonus will be \$100 for each side. All program qualifying Distributors must be on a 2 case AutoShip.

6. Can I earn more than one MIT Founder bonus?

Yes, you may repeat the MIT process and teach others to do the same. Every time you enroll 2 new program qualifying Distributors who get 2 new program qualifying Distributors you can earn the MIT Founders bonus. As many as you want!

7. Is there a time limit to earning MIT Founder bonuses?

Yes, when there are 1,000 MIT Founders.

8. When will I get paid my MIT Founder bonus?

MIT Founders bonuses are paid: 50% when your 2 personally sponsored program qualifying Distributors enroll their 2 new program qualifying Distributors making an MIT Founders pod of 6 new Distributors. The second 50% will be paid after all six of the new program qualifying Distributors in your Founders pod's 2 case AutoShips run.

9. How is the MIT Bonus funded?

The MIT is funded by an agreement with OTW, Zija International, and Zija Power. The bonus monies will be paid on the Zija ProPay Card.
